Raiders Beat Hawks 52-39

The Appomattox Raiders beat the Gretna Hawks 52-39 last Friday night in a Seminole District basketball game played at Appomattox. The victory gives the Raiders a 7-0 mark in the district and 10-1 overall. They lead the district while Gretna dropped to fifth place with a 5-3 league mark and 6-5 overall.

The Hawks tried a slow down brand of play and it seemed to work for the first half as the score was tied 10-10 after a quarter of play and the Raiders only led by two, 19-17 at the half. In the second half the slow down game changed a little as the Raiders made the Hawks make mistakes and took advantage of them for a 31-23 lead at the end of the third quarter. This led to more Hawk mistakes as they had to play catch-up ball and Appomattox kept taking advantage of them and outscored the Hawks 21-16 in the last quarter.

Bobby Layne led the Raiders and all scorers with 24 points, 15 in the second half as he hit seven of nine from the floor, five of five in the last quarter. Leon Robinson was the only other Raider in double figures with 16, 10 coming in the last quarter as he and Layne combined to score all 21 of the Raider points.

Tyrone Kelly led the Hawks in scoring with 12 points and Ivan Minter had 10, all coming in the last half.

The Raiders hit 50% from the floor, 23 of 46 shots to 40% for the Hawks who hit on 17 of 42 attempts. The Appomattox team hauled down 28 rebounds to 12 for the Hawks as Robinson and Layne had nine and eight rebounds respectively. Appomattox had 20 turnovers to 19 for Gretna, but the Raiders did a better job of taking advantage of the mistakes, and Appomattox had 11 loose ball recoveries to six for the Hawks.

Appomattox had been averaging better than 71 points per game and the slow down held them to their season low.

Homemaker Hints

By Rebecca M. Johnson, Extension Agent

There are probably as many different types and kinds of bedrooms as there are members in your family. Generally speaking, they can be divided into the following classifications: master bedroom, bed room-sitting room, children's room, and guest bedroom.

You probably have different styles of furnishings in each of the various bedrooms, ranging from elegant or formal in the master bedroom to informal and contemporary in a boy's room. Color is the key here, each room can have the same color theme but so varied that each looks different and individual.

One room might have a bright red carpet, black and white pattern wallpaper, with fabrics and accessories in tones of green. Another could have a black and white tweed rug, green bedspread and curtains, and red accessories. Still another could have deep green on the floor, soft green on the walls and windows, with red and white accessories.

Lighting in a bedroom is important, too. First you must provide a lamp or a hanging fixture for a mirror over a dresser. Second, you need good lighting for reading in bed, and at a study desk. Bedside lamps should be tall enough to spread light on your book, and easy to switch off. Study lamps must come from the left side for a right handed person and from the right if you're left handed.

Home and community Beautification leaders for E.H. Clubs are reminded of the training meeting on "Let's Decorate the Bathroom", to be held Tuesday, January 30. This is training for the February program and will be held from 1:30-3:00 in the Extension Office.
